

Pivovary Lobkowicz Group, a.s. completes the acquisition of Pivovar Rychtář, a.s.

Press Release – 10 December 2014

Praha – Last week, Pivovary Lobkowicz Group, a.s. exercised the previously announced option to purchase a 30 per cent share in the share capital of Pivovar Rychtář, a.s., with its registered office in Hlinsko, and became its 100 per cent shareholder.

Pivovar Rychtář has been a member of the Pivovary Lobkowicz Group since 2008, when the group acquired a 50 per cent share, which increased to 70 per cent in 2011. The option for the acquisition of the remaining 30 per cent was already agreed on the acquisition of the first stake.

Established in 1913, Pivovar Rychtář celebrated 100 years of its existence last year. The brewery was part of Pivovary Hradec Králové, s.p., until 1996 when it was acquired by IMEX Premium. In 2008, the brewery was purchased by K Brewery, now Pivovary Lobkowicz Group, a.s.

Pivovar Rychtář uses traditional brewing techniques, including fermentation in open fermentation vessels. It is one of the few Czech breweries that use unprocessed hop cones. It currently brews eight types of beer, including unfiltered or special hopped up beers.
